## LANDSCAPE 2024 – Acceptance letter

Dear Nan Liu,

We herewith confirm that your contribution entitled "Alfalfa and silage maize intercropping provides comparable productivity and profitability with lower environmental impacts than wheat–maize system in the North China Plain" is accepted for Oral presentation at the Landscape 2024 conference to be held in Berlin, Germany from September 17-19, 2024. We therefore cordially invite you to attend our conference as well as the pre-conference workshops and masterclasses on September 16, 2024, and the excursions on September 20, 2024.

The Landscape 2024 conference (the 3rd triannual LANDSCAPE conference) brings together international experts to discuss the transformation of agricultural landscapes. The theme of the conference is "Agroecosystems in Transformation: visions, technologies, and actors", highlighting the critical importance of having a clear vision, innovative technologies, and actors in driving sustainable changes in agricultural landscapes. Landscape 2024 will be organized by Leibniz Centre for Agricultural Landscape Research (ZALF), Müncheberg, Germany.

This letter is intended to help you arrange travel with your organization and obtain a visa for your trip to the conference in Germany. You should be aware that the organizers of Landscape 2024 conference cannot provide any financial support towards your travel costs and accommodation or any other financial support.

We hope that this letter will facilitate your travel preparations. Looking forward to meeting you in Berlin.

  
Sincerely yours,  
Prof. Dr. Steffen Kolb
